

uniting europe european integration pdf

Neofunctionalism is a theory of regional integration which downplays globalisation and reintroduces territory into its governance. Jean Monnet's approach to European integration, which aimed at integrating individual sectors in hopes of achieving spillover effects to further the process of integration, is said to have followed the neofunctional ...

Neofunctionalism - Wikipedia

Abstract. This paper belongs to the area of critical studies in European Integration and tries to demonstrate that neo-gramscianism is an integration theory which came as a necessity to complete the puzzle in this field. The main critique of
