Abstract Over the past decade many definitions, concepts and theories have emerged explaining and defining what integrated care is and what the main building blocks for the successful integration of services are.

Integrated care models: an overview - WHO/Europe

The Lifecycle of a Revolution. In the early days of the public internet, we believed that we were helping build something totally new, a world that would leave behind the shackles of age, of race, of gender, of class, even of law.

Black Hat USA 2015 | Briefings

We view Donald Trump's ascendancy to the Presidency of the U.S. as confirmation of a political and economic paradigm shift that started with Brexit but is likely to continue for the foreseeable future, including elections across Europe in 2017. Consistent with this view, we believe that there are four major potentially secular changes that ...
