EFT Emotional Freedom

Techniques for Emotional Freedom Techniques (EFT) for emotional freedom. EFT is a powerful technique for releasing emotional blockages and achieving emotional freedom. It is based on the idea that emotional distress is caused by energetic blockages in the body. By tapping on specific points on the body, these blockages can be released, allowing the individual to feel more calm and clear-headed. EFT has been shown to be effective for a wide range of issues, including anxiety, depression, stress, and chronic pain. It is a simple and easy-to-learn technique that can be used by anyone, anywhere. For more information on EFT, visit www.emotionalfreedom.com.

Regrettably I doubt wholistic medicine will gain much ground. You can't make money out of healthy

people. You need them to be sick so you can sell drugs and procedures in the pretence that it will make them healthy.
