The Changewinds' breath touched the formative Earth when it was but a cooling mass of molten rock, its own formation caused by a previous storm hitting in the void, and within that mass was sufficient moisture to cause the great clouds formed from condensation. The winds had less to draw them, then, so they let it alone for thousands of years. It was one hell of a rainstorm. The Changewinds ...

Macmillan himself, in titling the first volume of his memoirs Winds of Change (1966), misquoted the original text. ... As a result of the "Wind of Change" speech, British Members of Parliament formed the Conservative Monday Club in attempts to debate party policy change and protect and generate new imperial interests. In addition, the motivation behind the group also was founded on the notion ...

### **Wind of Change (speech) - Wikipedia**

I only remember the concept of the winds that change things to new forms. Everything about the plot and characters is lost in the mists of time. Everything about the plot and characters is lost in the mists of time.
